II. JURISDICTION

Federal courts are courts of limited jurisdiction. Only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. A case involving the United States Constitution or federal laws or treaties is a federal question case. A case in which a citizen of one state sues a citizen of another state and the amount in damages claimed is more than \$75,000 is a diversity of citizenship case.

III. STATEMENT OF CLAIMS

Claim I

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

Federal justices and judges take an oath or affirmation to faithfully and impartially discharge and perform all duties incumbent upon them "under the constitution." The U.S. Constitution requires all federal justices and judges to be bound by oath or affirmation, to "support the constitution."

The U.S. Constitution states only laws made "pursuant to the constitution" are the supreme law of the land.

As an American Citizen, I am being deprived of the power of "understanding agreeably" to the constitution and laws of the United States. Marbury v Madison 5 U.S. 137 (1 Cranch 137)

IV. RELIEF

State *briefly* exactly what you want the court to do for you and the amount, if any, of monetary compensation you are seeking. Make no legal arguments. Cite no cases or statutes.

I demand all federal justices and judges cease and desist from taking the constitutionally deficient oath or affirmation of "under the constitution," so "We the People" can constitutionally take our power to "understanding agreeably" to the constitution and laws of the United States through jury nullification.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 15th day of April, 2014.
